

Extension and alterations to primary school

Project	Extension and refurbishment to Watlington Primary School
Location	Watlington, Oxfordshire
Employer	Oxfordshire County Council
Contract Administrator	Mouchel
Project Value	£310,000

Oxfordshire County Council, continuing their programme of upgrading primary schools, commissioned Mouchel to design a new two-storey wing to Watlington Primary School, including upgrading and refurbishment of existing classrooms.

The construction works were carried out in a 'live' environment with the school's staff and pupils having access to all other areas of the premises.

New landscaped grounds and playing areas were an integral part of the facilities provided to make the school day more enjoyable for pupils and staff.
